Hello;

My name is Dror Kessler. I'm an investigative journalist about to publish a multipart story about Birmingham City Council. It relates to reporting practices on Homeless Accommodations expenses by the council and the Neighborhood directorate.

The story is around the way the council is providing transparency via the <https://data.birmingham.gov.uk/> website and the structure and nature of the expenses themselves.

I would like to get the council's side, or a comment, on the findings.

Could you please forward this to the appropriate person or contact me at 07595-333261?

Thank you in advance,

Dror Kessler
